Implementation of winHR

We believe we understand your needs better than most. Favour has a unique approach to implementation; we partner you in the implementation process, in a timely, cost effective manner.

Favour’s implementation plan is customised to your needs but generally includes the following preparation:

- ◆ Replicating your current organisational and position structure
- ◆ Setting up integration with your payroll
- ◆ Populate all employee master file information
- ◆ Adding employees to their positions

Take-up and usage of the system is much faster than other products and the benefits begin to flow quickly.

In fact most of our clients begin using winHR the same day it is implemented.
